This is a Pharmacy Subscription Program. IT IS NOT INSURANCE. We provide you direct access to medications at negotiated PBM pricing and Home Delivery Pharmacy pricing on a pre-paid basis. This program offers solutions for high-priced specialty medications via an International Pharmacy or PAP service. In addition, a discount pharmacy solution is available, where you search discount options and are directed to a specific pharmacy for low pricing. Sometimes, this can be your lowest price option. Only certain doses and quantities for each medication are offered through this program.

Your Rx Discount Card is NOT Insurance. Discount Only – Discounts are available exclusively through participating pharmacies. The range of the discounts will vary depending on the type of prescription and the pharmacy chosen. This part of the program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. You may contact Customer Care anytime with questions or concerns, to cancel your registration, or to obtain further information.

Formulary and pricing are subject to change. Please see website for current pricing. In order to get the most out of your Pharmacy Subscription Program,
